

The Seed Grant

What is a Seed Grant? Seed Grants are grants made to educators who have ideas for innovative educational projects for which funding is not readily available through the regular North White School Corporation financial sources. The North White Education Fund is particularly interested in programs that demonstrate innovative and effective ways to meet students' needs, enhance student achievement, increase motivation to learn, or address educational needs of the community.

Who May Apply? Any educator of North White School Corporation is encouraged to apply for a grant.

How Do I Apply? The grant application is attached. Additional forms or information may be requested from the Superintendent of Schools.

How Are Grants

Awarded? A Grant Committee is comprised of representatives from the Board of Directors who will review all applications. They will make recommendations to the full Board of Directors. The Board of Directors will award all grants. Grant applicants may receive funds for materials, equipment and other items necessary to carry out the proposed project.

Seed Grant Proposal Due Date

Seed Grant proposals are due February 6. Submit proposal to:

Superintendent of Schools
North White School Corporation
121 West St Rd 16
Monon, In 47959

Grant Awards

Grants will be awarded as soon as possible but not later than April 1.

Project Evaluation

The Grant Committee may monitor progress of the project at any time. Upon completion, each grant recipient will be expected to submit a Final Report on or before May 1 of the next school year.
