Reporting Dyslexia DATA to IDOE and Community

Per [Indiana Code 20-35.5](#) each school corporation must report the following to the Indiana Department of Education (IDOE) within the yearly reading plan. The information must also be posted on the school's public website.

- The number of students who were administered the universal screener for dyslexia;
- The number of students who were determined to be at risk for dyslexia; and
- The selected universal screener for learning characteristics related to dyslexia which was used to screen students K-2 for characteristics of dyslexia.

This data will be reported each year as part of each corporation's reading plan. Each school corporation must also report dyslexia-related information on their public website no later than July 15 each year.
